

Gemstone Compatibility Report

Username: healergems@gmail.com

Name: Diana Frances Spencer

Princess of Wales

Sex: Female

Date of birth: 01.07.1961

Time of birth: 23:10

Place of birth: Sandringham, Norfolk, England.

Note: This map was chosen as an example due to the frequent references in India to the Princess's blue sapphire wedding ring and to her subsequent fate as an example of the dangers in wearing that particular gemstone.
